Empiria’s First Immersive Retreat Concept

developed in partnership with Design Hotels

PHOS

Presence Heals our Senses

PHOS is a **curated experience platform** by Empiria Group where culture, place, and human connection awaken the senses.

More than a retreat, PHOS is a recurring and evolving concept expressed through immersive gatherings rooted in:

- Cycladic light
- Greek cultural intelligence
- Contemporary wellbeing
- Meaningful human connection

PHOS explores light not as a visual element, but as awareness, stillness, alignment, emotional clarity.

Light is no longer a visual element. It is presence.

The PHOS Experience

Curated programs.
Movement, discussions, and workshops.

Cultural immersion.
Cycladic identity and local voices.

Shared rituals.
Dining and gatherings.

Spatial experience.
Parilio and future properties.

For **culturally curious**, **design-aware global travelers** seeking more than traditional wellness retreats, PHOS offers immersive, place-rooted experiences delivered through the lens of Empiria Group’s hospitality philosophy and sense of understated luxury.

PHOS – Chapter 1

Paros, October 2-4

The PHOS story unfolds at Parīlio in Paros, on October 2-4, 2026, through immersive, place-rooted experiences shaped by Cycladic light, contemporary wellbeing, and meaningful human connection.

Guests are guided through thoughtfully curated programs including **movement**, **discussions**, **workshops**, **cultural immersion**, and **shared rituals** exploring the connection between Greek cultural intelligence and contemporary wellbeing.

With its architectural simplicity, connection to the Cycladic landscape, and understated hospitality philosophy, Parīlio provides the ideal setting for the first PHOS experience.

Empiria Signature Experiences

Symphony of Flavors: A New Culinary Initiative

Empiria Group proudly launched “Symphony of Flavors”, an exclusive series of culinary explorations hosted across the Group’s signature restaurants.

This curated initiative brings together celebrated chefs from Greece and around the world, offering guests a unique journey that blends flavor, memory, and technique.

Taking place from June to September across our destinations, we invite guests to connect deeply with the cultural and culinary essence of each location.

Empiria Group introduces ‘**Kinship**’ and redefines family travel

Immersive Family Experiences Rooted in Local Culture, Creativity and Connection

Empiria Group invites families to travel not simply together, but deeply — with intention, curiosity, and cultural immersion.

By launching its own take on the family club concept, Kinship, we go beyond the typical “kids club” and instead encourages meaningful hands-on, cultural experiences that cater to the entire family. Reimagined through the lens of Greek heritage, Kinship fosters deeper connection through shared discovery and screen free moments that matter.

Immersive family programming is available at both **Vedema**, **Parilio** and **Eréma**.

Cosme’s Signature Sunset Ritual

THE LAST LIGHT

Paros has its own magical twilight atmosphere – the sky often turns apricot and purple, cicadas quiet down, and life begins to glow.

'The Last Light' at Cosme draws on this natural beauty to create a sunset ritual that’s intentional, elegant, and deeply rooted in Cycladic heritage.

Casual and at the same time ceremonial, the ritual invites guests to pause, reflect, and ease into the night.

Istoria Cinema nights: A tribute to the Greek Summer

Istoria invites guests to step into a timeless Greek summer ritual with Istoria Cinema Nights, the weekly open-air film series inspired by Greece’s cherished therinó cinemas.

Against the backdrop of a star-filled Aegean sky, a curated selection of films is screened that echoes the spirit of island life, Mediterranean romance, and timeless storytelling.

A curated medley of bites, elevating beloved local flavors in playful and indulgent ways, sets the tone for an unforgettable cinematic escape.

Waiting for the door to open, so the light can flood out. Empiria creates space for joy. Elevated experiences that connect us to what matters. Space to explore and discover, to relax and rebalance. Space for spontaneity, where joy flourishes in all its glorious forms. Experience the richness of Greek culture. Forget your aspirations and remember your foundations. In your own time. With room to look for joy inside.

Empiria. Space for Joy.
