A Dreamy Oceanfront Villa on Emerald Island

Tranquillity is the first word that springs to mind when you think of Ultima Corfu. Arrive by boat to this authentic Greek villa's private dock and enjoy utter seclusion for up to 12 guests. The deep blue waters beyond are inescapable, with the property boasting 180-degree views of the Greek and Albanian coasts. Highlights of this soul-reviving villa include our doorway to heaven — once you've seen it, you'll never forget — our family-like team, and mouth-watering dining experiences that are served to the sounds of the waves crashing below.

A soul-reviving escape

The Concept

Ultima Corfu was designed in an understated stylish manner so that Corfu's backdrop could speak for itself. Relish time together in the infinity pool, while cracking lobsters with the chef, or while sharing a bottle of Grecian wine in one of the sea-facing terraces.

The island of Corfu has long stolen the hearts of travellers, but our three-tiered villa makes a journey here all the more special. There are six suites, each comprising a private dressing room, bathroom and, of course, views that will make your heart sing.

Plus, with nature as your playground, each day could welcome a new activity. Picture this: standing at the front of your yacht's deck as you dart across the Ionian Sea, pointing out spots for snorkelling, scuba diving, or dramatic arches and cliffs where a chef can prepare a lunch on the water.

Private Dock

To experience this property in all its glory, we highly recommend arriving by boat. Here, you'll be welcomed by the full team, who will carry your luggage to your rooms while you focus on what's important — taking it all in.

Wellness

We've seen it often: detoxing, re-toxing and detoxing again. It means that wellness is very much on the menu here, from sunrise yoga sessions with soul-washing sound baths to personalised treatments or exercise sessions enjoyed outside.

The villa has two heated infinity pools, on two different levels, plus an impressive waterfall spa, a mosaic-tiled hammam with stone seating and a Jacuzzi. Your wish is our spa therapists' command.

Culinary Moments

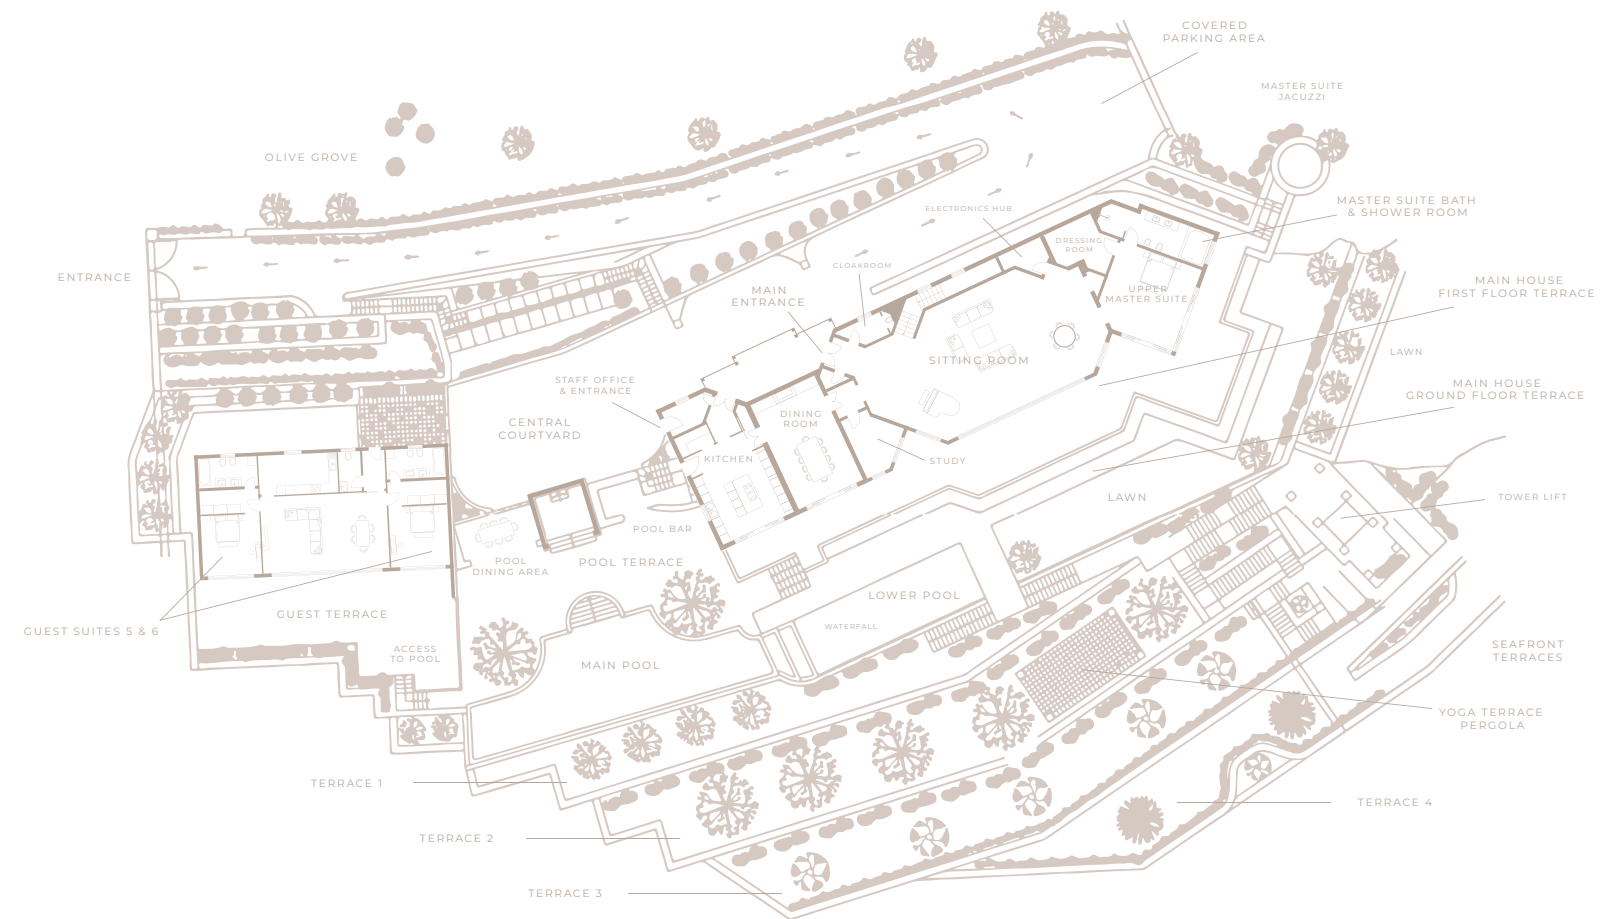

With a uniquely talented chef at your service, you will receive tailored culinary experiences focusing on dining al fresco. It could be vitamin-rich breakfasts of artistic açai bowls and protein powder smoothies, to hearty seafood barbecues served as the entertainment ensues.

At the very least, you can expect culinary excellence and delicacies fresh from the sea you're overlooking.
